

Froyle Wildlife

The purposes (also known as objects) of the Froyle Wildlife (FW) are:

- (a) to promote for the benefit of the public resident in and around the villages of Upper Froyle and Lower Froyle, Hampshire the conservation, protection and improvement of the local physical and natural environment, in particular but not exclusively by identifying and recording species of flora and fauna in the local area;
- (b) to advance the education of the public resident in and around the villages of Upper Froyle and Lower Froyle, Hampshire in the conservation, protection and improvement of the local physical and natural environment;

FW will carry on the following activities, either separately or in conjunction with each other:

1. providing talks, preferably illustrated, by relevant knowledgeable individuals on aspects of local species, local wildlife conservation, protection and natural environmental improvement;
2. providing guided walks in the local countryside, led by relevant knowledgeable individuals, to observe and where possible record various elements of the local flora, fauna and, if appropriate, related topography;
3. offering opportunities to participate in the development, maintenance, upkeep and renewal of local natural facilities including, but not limited to, the wildlife pond and meadow area in Froyle Park, and the wildflower area on the Froyle Recreation Ground;
4. providing forums in which interested people can meet to discuss and share experiences, observations and opinions relating to local flora, fauna and conservation matters generally, all of which will be open to members of the public and of Froyle Wildlife at an appropriate modest entrance fee, generally £2 (designed to cover both staging and general operating expenses).
